"Unclear" for When original text is uncertain, but you can reasonably guess

Coding produced when hitting the "y" tag

Start a page: Numbers

Recipe title = Heading

Coding produced via Dromio "w" tag

Crossed out in page image

"Unclear" for When original text is uncertain, but you can reasonably guess

Page break between two leaves of the opening (First line indicates structure, and borrow language from the heading in Dromio; the second line records what, if anything, is written on the page)
In case of wind when cutting off, the fire, a small note or blade may be used to break the hatches.  On the edge of the hatch a small note or blade may be used to break the hatches.

In case of wind when cutting off, the fire, a small note or blade may be used to break the hatches.  On the edge of the hatch a small note or blade may be used to break the hatches.

Take a foot of each &amp; a sprinkling of salt &amp; water, mix it &amp; let the parts strike it.
