Asia Trends : L'Asie à la Source – Key Insights & Analysis (ISSN: 2555-6444) est un bulletin semestriel bilingue et interdisciplinaire. Il fournit une analyse approfondie des débats d'actualité et des tendances stratégiques à partir de sources locales pour une meilleure compréhension des dynamiques régionales et globales vues d'Asie. Chaque édition est composée d'un dossier transversal et d'analyses locales sur l'actualité en Chine, au Japon, en Corée, mais aussi en Asie du Sud et du Sud-Est.

Asia Trends: L'Asie à la Source – Key Insights & Analysis (ISSN: 2555-6444) is a bi-annual bilingual cross-disciplinary bulletin. It provides a detailed analysis of current debates and strategic trends based on local sources aiming at better understanding regional and global dynamics from an Asian perspective. Each issue includes articles on both a transversal topic and local analysis of news in China, Japan and Korea as well as South and South-East Asia.
