Who Am I (I)

edited by Miguel Elosua

First part of an article about the access to education of the children of migrant workers.

<http://urbachina.hypotheses.org/7575>

UrbaChina Newsletter

The UrbaChina blog survey

edited by Sebastien Goulard

The UrbaChina blog survey: Help us improve our blog!

<http://urbachina.hypotheses.org/7382>

Accelerating household access to clean cooking and heating

Edited by Jacqueline Nivard

Working paper of the World Bank. 2013.

<http://urbachina.hypotheses.org/7507>

Seeking just compensation for collective-owned land expropriation in China

edited by Jacqueline Nivard

China needs to expropriate more and more collective-owned lands in order to satisfy the need of city construction and development. However, when the collective-owned lands are expropriated currently, peasants get very low compensation for their loss in improvements, green crops, and land use rights.
