Holly Ming’s book on Chinese migrant children’s education
written by Sébastien Goulard

http://urbachina.hypotheses.org/10504
Funded under the European Commission’s Seventh Framework Programme, UrbaChina is a collaborative project managed by a consortium of 11 leading Chinese and European research institutions. UrbaChina analyses China’s urbanisation trends for the next 40 years and define possible future scenarios with reference to concepts of sustainability.
